March 2017

Dear Fellow Golfer,

The winter blues have you down? Not to worry...Golf Season will soon be here!

Mound Grove Golf & Recreation is gearing up for another season of fun, sun, and a little white ball chasing! As the golf course Owner/Superintendent Ed Biebel II helped build the course and is continuing to invest in a course that is fit for some of the best golf in Erie County. The focus from now until the start of the golf season will be working on and investing in the course, equipment and facilities to make your overall golf experience memorable!

We invite all golfers, old or new to Mound Grove, to consider bringing your friends together for a golf league in 2017. It is an easy and great way to get out and enjoy the summer with friends. We currently have openings available. The "2017 Mound Grove League Application" has all the information about forming a league and is also available on the moundgrove.com website. Please feel free to email us or call us if you have questions or wish to reserve a day and time for your league

We are currently planning a few Golf Events for 2017:

- Father's Day Event—not a tournament but an invitation for all sons and daughters to bring their Father or Grandfather out for a day of golf. Grandfathers get a free greens fee with a playing son or daughter.
- 6th Annual Edward N. Biebel Sr. Memorial Tournament benefiting Shriner's Hospital for Children-Erie. This event is usually held the end of August---Look for information to become available in our Pro Shop around June!
- As always we have the Driving Range available to practice those strokes!

We are excited for the 2017 Season, if you aren't able to join or set up a league – please join us for a round or two this season! We look forward to seeing you soon!

Remember to "Like" us on Facebook to keep up with what's going on at Mound Grove Golf & Recreation.

Sincerely,

Ed Biebel II, Golf Course Owner
