*Thank you for thinking of us for your special day!*

Just a little about us! The name Mound Grove Farms was the original name of the property built by Jesse Coover in the 1840's. The Barn now houses the bar, restaurant and proshop downstairs leaving plenty of room upstairs for up to 300 people with a dance floor for your reception. The Biebel family opened the 18 hole regulation length public golf course in 1993 as a promise to keep the land green making Mound Grove Golf Course & Recreation the place to be for all seasons and all reasons!
